

## HACH AF7000 Streaming Current Monitor to be made obsolete by December 2025 or until supplies last (whichever comes first)

Dear Valued Customer,

HACH would like to notify you that the AF7000 Streaming Current Monitor is being made obsolete. Supplies will last until inventory is used or by end of December 2025, whichever comes first. Please note service parts, field support, and bench service for the AF7000 Streaming Current Monitor are expected to be available for the next five years, based on component availability.

**Affected variants will be obsolete:**

LXV510.99.XXXXX AF7000 SCM all variants

**Alternative products:**

Our partner has developed a new version of the AF7000 called the AF9000 Streaming Current Monitor. Hach will not be selling this product or supporting it. However, if customers are interested in the new version, please reach out directly to the vendor. Please see contact information below.

AF9000 information inquiries to be sent to:

[brett@accuflocs.com](mailto:brett@accuflocs.com)

[sales@accuflocs.com](mailto:sales@accuflocs.com)

We apologize for any inconvenience.

If you have any questions please contact your local HACH partner for further information.

Sincerely,

Hach Company  
Loveland, US/Duesseldorf, Germany, April 2025
